Keep your Liver Active During the Summer Months—Foley Cathartic Tablets for sluggish Liver and Constipation

It does beat all how quickly Foley Cathartic Tablets give your liver and overcome constipation. Ney Oldham, Wimberley, Texas, says:—"Foley Cathartic Tablets are the best laxative I ever used. They take the place of calomel." Wholesome, stirring and cleansing. No griping. A comfort to stout persons, as they relieve that full bloated feeling. For sale by J. W. Thurston. adv.

INDIGESTION, CONSTIPATION, RHEUMATISM, BLOOD OR SKIN DISEASE arising from a disordered stomach, bowels, liver or kidneys which

"SEVEN BARKS" will not materially benefit, or permanently cure; this has been proven for the past 42 years. Ask your parents, or neighbors, about SEVEN BARKS, as thousands have testified to its merits. Don't delay to get a 50 cent bottle at your druggist, and start yourself on the road to complete recovery. LYMAN BROWN, 68 Murray St., New York, N.Y.

The University of Vermont and State Agricultural College

The University of Vermont and State Agricultural College is a Vermont institution and exists primarily for the purpose of educating the youth of Vermont. The Colleges of Arts and Sciences, of Medicine, of Engineering and of Agriculture are all of the first grade and furnish educational facilities within the state equal to any afforded by the leading colleges of other states. Under provisions made by the General Assembly the work of agricultural extension began last year. A new course in agricultural education designed for the purpose of training teachers of agricultural education for the common schools has also become operative.

Under the provisions of the Jeudevine fund limited loans of money may be made to students of this state pursuing their studies at the University of Vermont. Certain scholarships are also available for worthy young people. For catalogue and further information address President Guy Potter Benton, University of Vermont and State Agricultural College, Burlington, Vermont.

has unsettled business to some extent. However there is no reason for Americans to get panicky. Business will soon adjust its self to meet the conditions.

In the meantime we can "fix up" around home and make needed improvements thus giving employment to some one out of work and help keep things going.

This brings the time to put up fruit for the coming winter. We would call attention to our stock of
